Certificate No. 333)

Case No. MP-2008-001

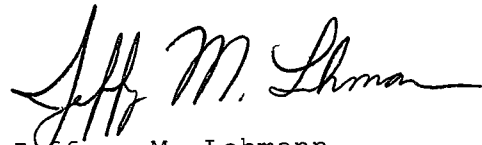

Commission Regulation No. 58 requires respondent to insure the revenue vehicles operated under Certificate No. 333 for a minimum of \$1.5 million in combined-single-limit liability coverage and maintain on file with the Commission at all times proof of coverage in the form of a WMATC Certificate of Insurance and Policy Endorsement (WMATC Insurance Endorsement) for each policy comprising the minimum.

The \$1 million primary and the \$1 million excess WMATC Insurance Endorsements on file for respondent terminated on January 1, 2008, without replacement. As a result, Certificate No. 333 was automatically suspended under Regulation No. 58-02, and a \$50 late filing fee became due and payable under Regulation No. 67-03(c), as noted in Order No. 11,058, served January 2, 2008. Respondent was also directed to file a new tariff because the preexisting tariff was no longer effective.

Respondent filed acceptable \$1 million primary and \$1 million excess WMATC Insurance Endorsements on January 30, 2008, tendered a \$50 cashier's check on January 7, 2008, and filed an acceptable contract tariff on January 30, 2008. Accordingly, the suspension is lifted, and this investigation is terminated.

IT IS SO ORDERED.
